

Old School

He's called "Old School". Old man in shabby clothes on any corner, any city. Always in your face with advice and life lessons. Bottle instead of bible in hand preaching a Ghetto Gospel. Who is that man and why that corner?

Duce and Leslie are choosing an accessible path in life. All paths are difficult but some safe and others lead to destruction, the choice is critical.

Detective Martin a veteran Police Officer committed to his chosen profession while simultaneously burning out from the reality of that profession.

Ms. Stone a Probation Officer go between the criminal/justice enterprise. On the best day she seeks optimism amid hopelessness.

They all come together for a block party like no other!
