

The Session

Five women are ordered by a judge to get counseling for their anger problems. One session with some nobody counselor and people you don't know or care about, not a bad deal for getting your court case dismissed. Two hours, pay a fine, skip the time. Just one big joke until the punch line got serious and a real session broke out.

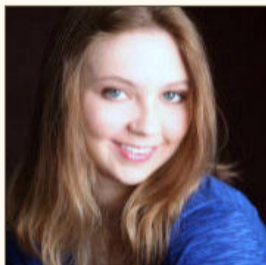

THE SESSION Cast/Crew

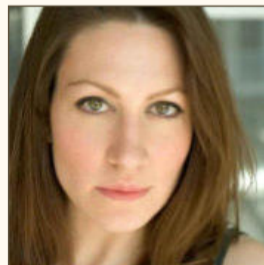

Harvey Williams
Writer/Director

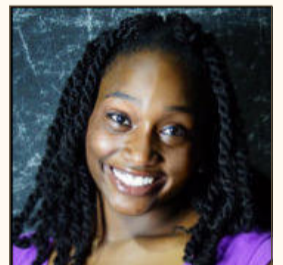

Claudia Copping
as Ms. Hunter
